Family Life – Lynn & Duana Boudreaux 341-9162

First of all, a big thank you goes out to our fellow Knights and family members for participating in our last family social. It was another great success. Thank you, to our wonderful cooks, Gerard and Mary Thomas, everyone loved it. Our next family social will be on September 17, 2010. Cliff Guidry will be preparing a Jambalaya. Also, we are working on having the Blood Bank representatives here to speak to everyone on our October Blood Drive. We would like for it to be a huge success. Remember, by donating blood, you are saving a life. If you know of anyone that would be interested in giving a donation in the form of a Gift Certificate for our next social, either let us know so we can pick it up, or you can pick it up and bring it to the Grand Knight. We want more for YOU!!! By the way, in the Horseshoe Tournament this past weekend, Lynn and Glenn finished in 1st place, Troy and AJ finished in 2nd place!!! Emile finished in 2nd place in singles. We have some great pitchers in our council.

Ladies Auxiliary – Sheila Mabes President 982-6634

At our recent meeting we discussed possible fundraiser events instead of our usual Current sales such as: candle sale, Mary Kay sale, mystery dinner, Bunco party. Mystery dinner scheduled for November, Bunco party scheduled in March, the candle sale and Mary Kay sale are tentative now for fall. We will start collecting candy for the Gretna Goblin night (Halloween 10/31) at our next 2 meetings so please be generous.

Lady of the Month for August - Bridget Holt

Next meeting September 15th, Rosary for 7:00pm, meeting 7:30pm

Please keep any of our members who are ill or in the hospital in your prayers. If you know of someone who is ill or hospitalized or passes away, please call me.

Please be respectful if coming in after rosary has started, no talking and no business is to be conducted. Thank you, Sheila

Each of us is unique in our own way and we can offer different things to better our council. Praying together and working together we can survive anything. Surviving means bringing in NEW MEMBERS. We cannot grow if we don't bring in new members. As an incentive, anyone who brings in 2 new members will receive a Knights of Columbus hat. Anyone bringing in 3 new members will be invited to a steak and potato bar-b-que with beer and soft drinks and all the fixings at my house. Remember, new members must go through the First Degree to qualify.

We will have an admission board at every function if needed. Please let me know in advance if you have a candidate so we can set up a time so the 3 board members and I can make the rosary and the entire meeting. UNITED WE STAND

Raising children is probably the hardest job you'll ever take. It requires you to wear more hats than you ever thought possible. Cook, chauffeur, nurse, counselor and many more... and that's often in one morning. One of the most important roles you accept as a parent is that of a teacher. Before they even get to school, you'll teach your children so much, and before they get out into the world, you'll instill values that they will carry with them.

Sometimes the values you want to impart (respect, compassion, accountability, financial responsibility, etc.) often run counter to what our instant-gratification driven society values. So, we strive to teach by example.

This is one good reason to carry enough life insurance to protect your family. This one simple act can show what you value. You'll show them that you love them and are concerned about their welfare. You'll show that you take your responsibility to provide for your family seriously, and that you want to make sure they're provided for even if you're not around. You'll show them that investing money in your life insurance protection is more important than the new set of golf clubs you might want, the newest and best home theater system you've had your eye on, or whatever else you might be sacrificing to pay the premiums.

It will teach them about priorities. Sure, it may not sink in at the time, especially if any of the sacrifices made prevent them from filling what they see as their immediate "needs" (really things they want, not need, like the newest DVD, video game or article of clothing). In the long run, they will learn from what you do and what you don't do. Only you can choose the lessons you will teach.

Let's meet to review your existing coverage. My needs analysis, provided free, will help teach you where your coverage may be lacking. We can plan today to secure your family's future and set in motion lessons that will last a lifetime.

Please contact me for any insurance needs or questions. I am always available to help you in any way I can.
